Sean,

Thank you, I just did a quick review of the raw data as well and agree all grids passed.

Thanks!

Austin

Subject: FJ Doyle - Confirmation Summary Table (Collected 20190201)

Austin,

Attached is the .pdf summary table for samples collected on 2/1/2019 (DRA04, DRA05, DRA07W, and FJD04-01). I've also attached the EDD for QA/QC purposes only. I did a quick check against the raw data and it looks like all grids passed.

Let me know if you have any questions.

Thanks!

Sean Gavlas
